Village of Youngstown Board of Trustees Work Session Agenda– September 27, 2018

OLD BUSINESS:

VILLA CONDOMINIUM

8/29 follow up letter mailed to the Villa Condominium requesting payment due upon receipt. Attorney Caserta has advised we may be able to levy the water amount to the County tax bill.

SENIOR VAN

RFP was sent out for Board review. Attorney Caserta reviewed as well. Board to advise dates of the RFP for publication. Grant Writer Rotella researching grant for van. Superintendent Muller advised that the van will need approximately \$2,000.00 in repairs. The engine needs work and a catalytic converter is needed.

4-WHEELER-Police:

Chief Schuey would like to sell the 2016 Polaris Sportsman 550. Discussion was to list this as surplus and place out to bid. Superintendent Muller has expressed interest in using this for the DPW. If equipment is deemed surplus, the funds are received back to the Village in the General fund. If it is determined the equipment can be utilized by the Village in another area, the equipment is not surplus and the “new” user would take over maintenance expense. Superintendent Muller will check on values for trade in and costs for equipment.

SNOW POLICY

Discussion on a snow policy for the Village. When to close the Village Office and or cancel the Senior Van rides due to bad weather. Discussion from 9/27 centered on following Lewiston Porter Central School closing for weather related closures.

MAIN STREET SIDEWALK REGULATIONS

Discussion on items being placed along the sidewalks and grass area towards Main Street.

GRANTS/GRANT WRITER/GRANT ADMINISTRATOR

Future discussion for the role with the Village
