

VILLAGE BOARD MEETING – AUGUST 9, 2012

Mayor Reynolds called the meeting to order at 7:00 p.m. with the Pledge of Allegiance. Also present were Deputy Mayor Sutor, Trustees Adamson, Lockhart and VanDeusen, Attorney Caserta, Police Chief Salada, Building Inspector Stevens and six residents.

The Mayor then asked for public comment. Jack Bush of Third St. asked about the dock. Mayor Reynolds stated things are progressing and a decision on engineering firms will be made soon. He also reported Building Inspector Stevens has inspected the area and has some ideas.

Amy Vanone of Lake St. introduced herself and her neighbor, Tracy Lloyd stating she had written a letter to the Board last summer regarding a resident at 90 Lake St. who leaves food such as cat food and peanuts out for animals which has attracted skunks, squirrels and other wildlife. Mrs. Vanone said Q & D Management sent letters to the complex residents but, the feeding continues. Mrs. Lloyd stated animals come to the ditch between the apartment complex and the Vanone property and feed, leaving a mess. Both ladies are frustrated that this continues to be a problem. Trustee Adamson stated that he and former building inspector, Bill Choboy visited the offender and thought the problem had stopped since nothing further had been reported. Mrs. Vanone stated she and other home owners have financially spent much to improve their property and she too is frustrated by the unsanitary mess on her property. Friends with children having peanut allergies can not visit her home and play in the yard due to the peanut shells which have even been found in her vehicle. She stated that she has talked to Q & D Management and the Village Board and asked what she should do now.

Attorney Caserta checked his Village Code book and stated the problem violates property maintenance laws. Trustee VanDeusen would like to see if the group Wild Kritters could speak to the offender to advise her against such feedings.

Mrs. Lloyd stated this matter is past the warning stage and without consequence to the offender, this will continue. When asked how to proceed if the feeding continues, Trustee VanDeusen advised they call her as she lives nearby and she will then pass the information on to the rest of the Board

Building Inspector Stevens submitted his monthly report for July. Ten permits were completed for work valued at \$27,400.00 and \$275.00 in fees collected. He also reported several attempts to contact Mr. Sahota regarding his property where an open foundation poses safety hazards. Attorney Caserta stated the foundation could be filled in if there is no response from the owner.

Police Chief Salada submitted his July report. 230 patrol hours were worked, 1,175 patrol miles logged, 38 Village calls, 18 Town of Porter calls, 20 calls outside the Village, 24 UTT's issued, 19 parking tickets issued, and 9 arrests made.

DPW Superintendent Muller was absent but submitted his report. 6.5 overtime hours were worked during July.

Attorney Caserta advised the Board that approximately five years ago he had drafted a questionnaire and advised it would be a good practice to have members of any Board complete the form annually. Mr. Caserta will review the form and then pass it on to the Mayor and Trustees for their input. He also reported that he and Trustee Lockhart will be attending a NYCOM seminar next week which will cover subjects such as dealing with neglected and abandoned properties, maintenance codes and much more. Attorney Caserta stated he has talked to Lou Giardino of CEA International regarding the Cold Storage proposed project and is expecting a response to pertinent issues regarding the same. Attorney Caserta suggested title should not be given until after the building is removed to protect the Village's interest. The SEQR process must be followed also. Mr. Caserta assured Mr. Giardino that the Board wants this project to happen. Trustee Lockhart recalled a one year time frame discussed during the proposed project presentation.

The minutes of the July 12, 2012 meeting were approved by motion of Deputy Mayor Suitor, seconded by Trustee Lockhart and carried.
