Hello Readers & Families!

Summer is around the corner already? Welcome to another great Summer Reading season at the Youngstown Free Library!

Every Summer Reading season has a theme. This summer, it's all about how **LIBRARIES ROCK AND ROLL!** We're **ROCKING OUT** with lots of music and programs on the physics of sound. We're **ROLLING** through the summer on our bicycles with weekly community bike rides for all ages and abilities.

In addition to the programs, children and parents are invited to sign up for the Summer Reading Challenge, a summer-long challenge to read as much as they can. This year, we have a new competition: who can read more minutes, kids or their parents? Those who record their reading achievements can earn great prizes!

Questions? Call or email the library — we're here to help! This is going to be an amazing summer & I look forward to seeing you all!

—Miss S.
