

Hello all,

Many thanks for everyone's hard work and dedication that went into making the Mighty Niagara Half Marathon & Hospice Dash 5K a success! With 1,039 half marathon participants and 507 5k participants, this was the largest event since 2019! Your presence has a direct impact on this event that does not go unnoticed by our team or our participants.

We strive every year to make this event a safe experience for our attendees. If your departments have any concerns and/or thoughts on how we can improve communication, traffic safety, etc. please don't hesitate to reach out to us.

I will be sending out an email hopefully in January to announce our 2025 calendar of events!
