December Activities

Good morning.

The month of December we completed leaf pick up with over 75 loads of leaves. We also did a final brush pick up for the season. Water St South dock gardens were cleaned out and cut back. With this done our seasonal helper Todd has been laid off and will be utilized on a as need basis for the winter and will return in the spring!

We prepared the Village for the Holiday season with removing the American and Village flags and putting up the snowflakes and pole lights. We also helped rec with the new lights around the pavilion.

The guys did the quarterly water reads and we have been inspecting home water lines for the NYS lead and copper reporting. This lead and copper reporting was instituted by NYS DOH to minimize lead in the drinking water. If there are any question's please feel free to have any resident call my office (716)745-7839.

The Water St project is 85% complete. We are waiting for the lighting to be installed on the new stairs and for the lift station to be installed. I'm also looking into new gates and lighting for the North dock stairs as well with the remaining funds!

We have been working at the dump site cleaning and opening up our work area. This will allow us more room some storage and will help in our cleanup efforts!

I hope everybody had a great Christmas and a Happy New Year!

Thanks Greg

Recreation Report

Jeff Gruarin

January

We have 2 more sensory nights left. We will continue the program with the partnership of Niagara County and send out a survey to see what families would like. Christine updated me that we have approx.. \$1800 left to spend on equipment. The program has been a major success and each time we welcome a new family. I have tracked where they are coming from and they are all outside of Youngstown, Lewiston and Porter.

UPDATE (collecting survey responses and still in the process of planning days)

The basketball league starts January 7 and will be Tuesday and Wednesday nights. Tuesdays will be practice and Wednesday will be games, we will host the grades 5 +6

We are in the process of starting to plan sponsorships and ALL that for Nancy Price race. I will set up a meeting with Paul Beatty to discuss the race and add some stuff to it to generate more money hopefully.

We met as a group to discuss the future of the Christmas in the Village event and I will send out a proposal at some point this weekend

Jeff

CLERK'S / TREASURER REPORT

The Clerks office sent out water bills at the end of December 2024.

We welcomed two new Senior Van drivers, Daniel Summerville and Keith Hartloff to the Town of Porter/Village of Youngstown Senior Van program. The Senior Van had a total of 77 rides in the month of December bringing our monthly average to 69 rides per month. The Senior Van will be opening up riders on Fridays with the same schedule as Thursdays. (Niagara Falls locations).

The Clerks office has been working on updating the website and posting the 2025 Holiday calendar for both the Village and Modern. The website will also be updated with all the Volunteer Fire Company Officers after the next board meeting.

The Clerks Office collaborated with the Recreation department and Trustee Stella to ensure a seamless Christmas in the Village.

The Treasurer has been working on December month end reconciliation. Once that is finished, there are 4th quarter reports to generate and file. Then the focus will be on producing and sending out W-2's and 1099's from 2024. We continue to receipt in the 4th quarter water bills.

Village of Youngstown Police Department

Village of Youngstown Police Monthly Report January 2025

- Myself and Chief Bosi were asked to participate in an Active Shooter drill at Lewiston Porter school. We acted as safety instructors and advised the younger officers. Lewiston Police department conducted the training along with NYSP, Border Patrol, NCSD, Town of Niagara PD, Transit PD and EMS. Approximately 100 law enforcement personal attended. This was the first time the Youngstown PD was asked to participate.
- Myself and Chief Bosi were asked to participate in the annual Lewiston Light Parade. Approximately 1000 people watched the parade. This event was hosted by the Lewison Chamber of Commerce and the first time the Youngstown PD was invited.
- We still are getting complaints of speeding vehicles on Church, Main and Lockport streets. We have concentrated radar in those areas.
- Officer Brittney Price accepted a position with the NCSD. We are actively looking for 2 part-time positions.
- We wrote 4 tickets, issued 12 warnings and responded to 6 police interactions/calls.
- The Youngstown Police Department handled a harrasment/bullying investigation involving juveniles which led to the involvement of several other agencies. (Please report these type of incidents)

Thank You
Sgt. Joseph Palermo
